RIBBED

DEW DROPS

FOUR LEAF CLOVER

Fall in Line

Take your lead from **Van Der Hurd Studio's** lighthearted 20-piece Follow the Drops collection. The round Playful Pearls, available in custom sizes, calls to mind children's beads strewn over a nursery floor. Dew Drops's widely spaced streams of silk drops and tiny circles lend sparkle to a ground of New Zealand wool. The solid icy-gray ground of Ribbed brings serenity; the only accents are a gray border with gold piping. Four Leaf Clover introduces structure while still keeping with the collection's predominant misty palette of blue and green.
